BOTTOM LINE

It's important to take care of what God has entrusted to us.

Discussion Questions

1. What is your FAVORITE part of being outside? (Ex. mountains, oceans, wind, grass). (If all your students have phones, invite your students to do a search and show the image as their answer. Have them keep the image pulled up to refer to throughout the conversation.

2. On a scale of 1 (ew, dirt) to 10 (outdoors is life), how would you rate how outdoorsy you consider yourself?

3. Why do you think people care about creation?

4. What about God do you notice in the world around you? How do "the heavens declare the glory of God?" If this is true, what do you think we can learn about God from creation?

5. Gen 2:15 talks about how God put humanity in charge of the earth to look after it in the beginning. What could that look like for us today?

6. Think about something you took care of: a pet, a sibling, cleaning the bleachers after a game, cleaning your favorite shoes. What does it feel like to take care of someone or something?
